# ABOUT COLLEGE

SPS College is run by Surendra Pal Sharma , Surendra Pal Sharma Shiksha samiti one of the leading and reputed educational society. The college was established in September 2015 for providing higher education to the students specially who were socially and economically deprived. The college is affiliated to Raja Mahendra Pratap Singh State University, Aligarh. The college is included under the sections of 2(f) of UGC Act 1956 in Aug. 2011.

SPS College Science & Arts College has been completing 10 years of services to the cause of higher education for village students. The college holds the distinction of being the only institution providing higher education in science to the village and poor students in the surrounding region.

The Motto of the institution is '**Education to needy peoples**'. Accordingly, the college continues to impart higher education to the poor village students who live in remote area. Majority of the students are economically and socially deprived. Along with facilitating the participation of village students in higher education, its efforts are directed at providing holistic education that encourages critical and independent thinking.

# **FOUNDER'S MESSAGE**

SPS College Science & Arts College has been established on a cornerstone of academic excellence and on its pride in achieving national prominence for its focus and dedication to the study and understanding of human behaviors from a commitment to offer comprehensive professional training in tune with the latest developments in the field of knowledge. Our innovative undergraduate and post graduate programs anticipate the changing needs of the community and prepare professionals to live, work, and learn as active members of a global society. We measure quality not just in terms of academic success, but also by the impact our students and faculty have on their professions and in the country and world. We are dedicated to blending theory and practice, always remembering that the purpose of education in our context is to translate knowledge into action. This professionalism permeates interactions between faculty and students. It underlies all our programs, enabling graduates of Surendra Pal Sharma Shiksha samiti, Deholi, Aligarh to make a positive difference in the lives of individuals, and in the effectiveness of organization's businesses and communities.

We hope that you will explore our web site and discover why Surendra Pal Sharma Shiksha samiti, Deholi, Aligarh is unique among leading and forerunner institutions of learning. This is just the beginning of your professional journey and mentors. If you are looking for a way to make a difference in the world, I hope you will consider the rich opportunities available at Surendra Pal Sharma Shiksha samiti, Deholi, Aligarh.

We are here to serve you and help you grow.

**We wish you every success in your academic pursuits.**

**Surendra Pal Sharma**

**Founder**

# **MANAGING TRUSTEE**

The role of educational institution in shaping the destiny of its students is always considered unique in all civilised societies of the world. The revolution in information technology and means of communication has led to the evolution of a global culture and the education system has gone a sea change during the recent years. Surendra Pal Sharma Shiksha samiti, Deholi, Aligarh has been playing a significant role in transforming the lives of its students by enabling them to acquire wisdom and competence through innovative ideas, deep learning and noble thoughts. The faculty here is fully capable of imparting knowledge in the latest disciplines so that the pass outs may devote their energies in the advancement of human culture. They are fully trained and educated to shoulder, Social, Economic and political responsibilities. The value oriented educational pattern has immensely helped them in becoming good citizens and worthy individuals. # **ADMISSION PROCEDURE**

## **Courses Overview**

### **Bachelor of Science (B.Sc.)**

The Bachelor of Science (B.Sc.) program provides a thorough understanding of core scientific disciplines such as Physics, Chemistry, and Biology. This course emphasizes scientific inquiry and problem-solving, making it an ideal choice for students interested in pursuing careers in research, healthcare, technology, or further education in the field of science.

**Eligibility:** Students who have completed their +2 level education with a strong background in science subjects (Physics, Chemistry, and Mathematics/Biology) are eligible for this program.

**Who Should Opt:** This course is perfect for students who are passionate about scientific concepts, have a keen interest in conducting experiments, and wish to contribute to advancements in various fields of science and technology.

### **Bachelor of Arts (B.A.)**

The Bachelor of Arts (B.A.) program is designed for students who wish to explore the rich fields of Humanities, Social Sciences, and Languages. The course encourages creativity, critical thinking, and a deep understanding of social, cultural, and historical perspectives. It prepares students for diverse career paths in education, journalism, public administration, and other areas of public service.

**Eligibility:** Students who have successfully completed their +2 level education in any stream (Arts, Commerce, or Science) can apply for the B.A. program.

**Who Should Opt:** This course is suited for students interested in developing skills in writing, communication, and analysis of human behavior, society, and culture. It's an excellent choice for those aiming for careers in civil services, media, teaching, or content creation.
